EASTERN DISTRICT OF KENTUCKY  
DIVISION**

**IN RE**

**CASE NO.**

**DEBTOR(S)**

**ORDER FOR ADEQUATE PROTECTION  
PAYMENTS AND OPPORTUNITY TO OBJECT**

Creditor \_\_\_\_\_ (the “Creditor”) states as follows:

- A. The Debtor(s) filed a petition under Title 11 commencing a Chapter 13 case.
- B. The Debtor(s) did not propose to make adequate protection payments to the Creditor pursuant to 11 U.S.C. §1326(a)(1)(c). The Creditor proposes that the Debtor(s) make adequate protection payments to the Creditor on its allowed secured claim(s) in the amount specified below:

| Secured Creditor | Collateral Description | Adequate Protection Payments |
|------------------|------------------------|------------------------------|
|                  |                        |                              |
|                  |                        |                              |
|                  |                        |                              |

The Court being sufficiently advised, it is ORDERED:

1. The Debtor(s) will deliver the adequate protection payment(s) to the Trustee as part of the total payment required by the proposed Chapter 13 Plan of the Debtor(s) beginning no later than 30 days after the petition date.
2. The Trustee shall pay the amount(s) provided by this Order to the Creditor, however, adequate protection payments will not accrue or be paid until the Creditor files a proof of claim. The principal amount of the Creditor’s claim must be reduced by the amount of the adequate protection payments paid by the Trustee.
3. Upon dismissal of a case prior to confirmation, the Trustee shall first make the adequate protection payments required under this Order and shall be entitled to retain the percentage fee thereon in the amount fixed under 28 U.S.C. § 586(e)(1)(B) before returning the balance of funds to the Debtor(s).

4. After confirmation, until the allowed fee for the attorney for the Debtor(s) is paid in full, the Creditor's allowed secured claim shall be paid only adequate protection payments ordered by the Court.

Unless the Trustee, the Debtor(s), or other party in interest files an objection to the proposed adequate protection payments within 21 days from the date of this Order, this Order will become final. The Trustee is authorized to make adequate protection payments provided in this Order in the interim. Should an objection be filed, the Trustee is authorized to continue making adequate protection payments in the amount provided in this Order pending further orders of the Court.
